MEMORANDUM FOR THE DEPUTY DIRECTOR (SUPPORT):

The House Appropriations Committee has furnished to the press for release in tomorrow morning's papers the testimony by the Director and others before the Defense Subcommittee regarding the new building. On page 257 of the report is a photograph of the model. The WASHINGTON POST (Wes Barthelmes) says that they do not find this picture in the report sufficiently clear for reproduction in the POST. They request that their photographer be permitted to make his own photograph of the model at CIA as early as possible today.

RECOMMEND: That their request be granted.
